

Acer pentaphyllum

FIVE LOBED MAPLE

This is an unusual Chinese Maple that produces beautiful coloured foliage year round. It is known to be wind and sun tolerant. Grows quickly to a small vase-shaped tree to 5-6m. Foliage is red, narrow and lobed, and form is light and airy making it a good tree for underplanting. Small yellow flowers appear in spring. Autumn colours range from yellow, orange to red.

Use as a feature tree or multi-plant (with space) in a wind-sheltered position. .

Prefers cool, deep, moisture-retentive soil in a sheltered site. For best results mulch with organic material (e.g. straw) and shelter from drying Summer heat.
