

Acer shirasawanum 'Aureum'

GOLDEN FULL MOON MAPLE

This is a beautiful small maple tree with bright golden foliage. It will look stunning planted as a feature due to its open form and amazing bright green, almost yellow foliage. In autumn, leaves go that extra shade of yellow.

This tree makes is an ideal feature tree for colour contrast in any landscape. Growing to 3m tall it is particularly suitable for protected and shaded gardens or in a suitable container.

Prefers moist, well-drained soil in full sun to part shade. Avoid a location that is unprotected from north or west sun, or hot wind in summer as this may cause scorching of the leaves.
