COOLWYN'S MAGNOLIA (EVERGREEN) This is a lovely tree to 10m tall which makes it ideal as a feature in a residential setting. It has beautiful glossy dark green leaves with velvety brown undersides and white fragrant flowers up to 30cm in diameter. We see this as an alternative to 'Exmouth' with a similar upright branching structure but with glossier green leaves. Foliage Form Oval Mature Size 10 x 8m This tree would cut a stately figure as a feature tree in a commercial or residential setting. Position & Soil Prune to shape in spring. Likes the application of a balanced long-term fertiliser.
