

1060 Wellington Road Narre Warren East VIC 3804 T: 03 9554 2000 sales@specialitytrees.com.au www.specialitytrees.com.au

Description       With glossy foliage, this shrub is a great selection for hedging. Frost hardy once established, new growth has a vibrant red tinge throughout the year. Clip to shape regularly for maximum colour.         Foliage       Evergreen         Form       ⑤ Shrub         Mature Size       3 x 2m         Uses       Used extensively for hedging as it is hardy and relatively low maintenance. Prune as required to promote new growth and maintain shape.         Position & Soil       Prefers a sunny or partly shaded position in the garden, in soil that is mulched well. Tolerates mild frost once established. Fertilise with a slow release fertiliser twice yearly.         Features       ⑤ Small         ⑥ Shrub       ⑥ Coastal         Ø Driveway       ⑥ Formal Screening         Ø Hedging       ⑥ Informal Screening         Pot sizes in production         Substitutes	Tree	Photinia x fraseri 'Red Robin' RED ROBIN DWARF PHOTINIA
