

Magnolia grandiflora 'Sweet Carolina'

SWEET CAROLINA MAGNOLIA (EVERGREEN)

'Sweet Carolina' is a medium growing evergreen tree to 4m tall. It has glossy dark leaves and huge creamy white flowers with a heavy perfume in spring and summer. Light burgundy new growth in spring is very attractive.

This is a variety suitable as a stand-alone specimen tree but also makes a lovely large screen. It can be trimmed into a hedge if preferred.

Prefers a sunny position with well-drained humus rich soil.
